Fellow Martial Artists, Nominator and Nominee

We thank you for taking the interest and time to read this information pack about the Australasian Martial Arts Hall of Fame Incorporated. (AMAHOF).

AMAHOF was established in Australasia in 1996 as an associate member of the WKU Hall of Fame based in America, thus joining a worldwide organisation. The principle purpose is to pay homage and bestow recognition upon those who have made an outstanding contribution to the world of the martial arts throughout the region. Our purpose is to give recognition and honour to those who never take time out to honour themselves for their outstanding contribution or tireless dedication.

Nominations can originate from family, friends, instructors, peers and students who feel that the person being nominated is worthy of such an honour, therefore candidates are nominated on merit and performance. AMAHOF follows the principles of non-discrimination and equal opportunity, thus favouritism, sex, politics, origin, race, creed and style do not have any bearing on the final selection of an honouree.

With normally a maximum of 15 people inducted in any calendar year, your nominee/nomination if accepted will become part of a very select group of outstanding individuals. The person you nominate should fit within one or more of the following categories. The final award category will be determined by the Executive Committee:
